FOR IMMEDIATE RELEASE

**RECOMMENDED MERGER
of
AVAST PLC
with
NORTONLIFELOCK INC.**

Updated Merger Timetable

On 10 August 2021, the boards of Avast plc (“**Avast**” or the “**Company**”) and NortonLifeLock Inc. (“**NortonLifeLock**”) announced that they had reached agreement on the terms of a recommended merger of Avast with NortonLifeLock, in the form of a recommended offer by Nitro Bidco Limited (“**Bidco**”), a wholly-owned subsidiary of NortonLifeLock, for the entire issued and to be issued ordinary share capital of the Company (the “**Merger**”). The Merger is proposed to be effected by means of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act (the “**Scheme**”), and is subject to the terms and conditions set out in the scheme document that was published on 28 October 2021 (the “**Scheme Document**”). Save as otherwise defined, capitalised terms in this announcement have the same meanings as set out in the Scheme Document.

In the Scheme Document, the parties stated that they expected the Scheme to become Effective in mid-2022. However, on 4 February 2022, NortonLifeLock and Avast announced a revised timetable for the Merger, including an anticipated Effective Date (subject to the satisfaction or, if applicable, waiver by NortonLifeLock of each of the Regulatory Conditions that had not at that time been satisfied or waived) of 24 February 2022.

All Regulatory Conditions have now been satisfied, other than approval (or the completion of review processes) by the antitrust authority in the United Kingdom (comprising Condition 3.6) and the antitrust authority in Spain (comprising Condition 3.8).

Given the ongoing discussions with the antitrust authority in the United Kingdom (the Competition and Markets Authority) and the antitrust authority in Spain (the CNMC) and the timing of the end of NortonLifeLock’s fiscal year 2022, the last day of which is 1 April 2022, NortonLifeLock has determined that it is appropriate to postpone the closing of the Merger. NortonLifeLock now expects, subject to the satisfaction or, if applicable, waiver by NortonLifeLock of each of the Regulatory Conditions that have not yet been satisfied or waived:

- the Election Return Time and Election Withdrawal Deadline to be 1.00 p.m. on 1 April 2022;
- the Court Hearing to take place on 1 April 2022; and
- the Effective Date to be 4 April 2022.

An updated expected timetable of principal events is set out below. This timetable supersedes in its entirety the expected timetable of principal events contained in the parties’ announcement of 4 February 2022. The dates and times in the timetable are indicative only, are based on Avast’s and NortonLifeLock’s current expectations, and may be subject to changes. These dates and times will depend, among other things, on the date(s) upon which: (i) the Conditions are satisfied or (if capable of waiver) waived; (ii) the Court sanctions the Scheme (which is subject to the availability of the Court); and (iii) the Court Order is delivered to the Registrar of Companies. If any of the expected times and/or dates in this announcement change, the revised times and/or dates will be announced through a Regulatory Information Service.

Notice to U.S. investors in Avast

The Merger relates to the shares of an English company and is being made by means of a scheme of arrangement under Part 26 of the Companies Act. A scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the U.S. Exchange Act and other requirements of U.S. law. Accordingly, the Merger is subject to the disclosure requirements and practices applicable to a scheme of arrangement involving a target company in England listed on the London Stock Exchange, which differ from the disclosure requirements of U.S. tender offer and proxy solicitation rules. If, in the future, Bidco exercises its right to implement the Merger by way of a Takeover Offer and determines to extend the Takeover Offer into the U.S., the Merger will be made in compliance with applicable U.S. laws and regulations.

The New NortonLifeLock Shares to be issued pursuant to the Merger have not been registered under the U.S. Securities Act, and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the U.S. Securities Act. The New NortonLifeLock Shares to be issued pursuant to the Merger will be issued pursuant to the exemption from registration provided by Section 3(a)(10) under the U.S. Securities Act. If, in the future, Bidco exercises its right to implement the Merger by way of a Takeover Offer or otherwise in a manner that is not exempt from the registration requirements of the U.S. Securities Act, it will file a registration statement with the SEC that will contain a prospectus with respect to the issuance of New NortonLifeLock Shares. In this event, Avast Shareholders are urged to read these documents and any other relevant documents filed with the SEC, as well as any amendments or supplements to those documents, because they will contain important information, and such documents will be available free of charge at the SEC's website at www.sec.gov or by directing a request to NortonLifeLock's Investor Relations team identified above.

New NortonLifeLock Shares issued to persons other than "affiliates" of NortonLifeLock (defined as certain control persons, within the meaning of Rule 144 under the U.S. Securities Act) will be freely transferable under US law after the Merger. Persons (whether or not US persons) who are or will be "affiliates" of NortonLifeLock within 90 days prior to, or of the Combined Company after, the Effective Date will be subject to certain transfer restrictions relating to the New NortonLifeLock Shares under US law.

Neither the SEC nor any U.S. state securities commission has approved or disapproved of the New NortonLifeLock Shares to be issued in connection with the Merger, or determined if this announcement is accurate or complete. Any representation to the contrary is a criminal offence in the United States.

Financial information relating to Avast included in the Scheme Document has been prepared in accordance with accounting standards applicable in the United Kingdom and may not be comparable to financial information of U.S. companies or companies whose financial statements are prepared in accordance with U.S. GAAP. U.S. GAAP differs in certain significant respects from accounting standards applicable in the United Kingdom.

Avast is incorporated under the laws of England and Wales. In addition, some of its officers and directors reside outside the United States, and some or all of its assets are or may be located in jurisdictions outside the United States. Therefore, investors may have difficulty effecting service of process within the United States upon those persons or recovering against Avast or its officers or directors on judgments of United States federal, state or district courts, including judgments based upon the civil liability provisions of the U.S. federal securities laws. It may not be possible to sue Avast or its officers or directors in a non-U.S. court for violations of the U.S. securities laws.

All subsequent oral or written forward-looking statements attributable to the NortonLifeLock Group or the Avast Group or any persons acting on their behalf are expressly qualified in their entirety by the cautionary statement above. None of NortonLifeLock, Bidco or Avast undertake any obligation to update publicly or revise forward-looking statements, whether as a result of new information, future events or otherwise, except to the extent required by applicable law, regulation or stock exchange rules.

Dealing and opening position disclosure requirements of the Code

Under Rule 8.3(a) of the Code, any person who is interested in one per cent or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the Offer Period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 p.m. (London time) on the 10th Business Day (as defined in the Code) following the commencement of the Offer Period and, if appropriate, by no later than 3.30 p.m. (London time) on the 10th Business Day (as defined in the Code) following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Code, any person who is, or becomes, interested in one per cent or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 p.m. (London time) on the Business Day (as defined in the Code) following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Panel's website at <http://www.thetakeoverpanel.org.uk>, including details of the number of relevant securities in issue, when the Offer Period commenced and when any offeror was first identified. You should contact the Panel's Market Surveillance Unit on +44 (0)20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.
